EVER WONDERED WHERE WE ARE?

The decision to not upload our fortnightly newsletter to our website has been made because we prioritise the safety of your children. Some of our students do not have permission for their photo to be published and rather than removing the photos from the newsletter we have decided to update the appropriate pages on our site. This way the stories can be edited and only the photos with all permission completed are uploaded.

Stories from our Newsletter 20th February 2015 are as follows: eg Article Title (location on website)
