DESIGN OUR COMMEMORATIVE EDITION FRONT PAGE

The Champion Post will be printing a special feature to commemorate 100 years of WW1. The edition will be printed on Friday 24th April, 2015.

We would like to invite all school students to design the front page of this special wrap around edition. The theme is: What the 100 years of Anzacs means to me.

Entries are to be in by Thursday 2nd April, and will be displayed at the Parkes Services Club in the weeks leading up to Anzac Day. Entries can be left at your school office and will be collected by the closing date. The winning entry will be published on the front page of the Champion Post on Friday 24th April, 2015.

All entries must have the students name, age and school written on the back. The winning student will be notified by Wednesday 22nd April, 2015.
